

PRODUCT LINE CARD

ALUMINUM BUILDING WIRE

- XHHW-2
- THHN / THWN-2
- USE-2 / RHH / RHW-2
- MC Cable
- Mobile Home Feeder (MHF)
- Service Entrance Cable (SER / SEU)
- 2kV PV Wire

ALUMINUM URD & OVERHEAD

- Secondary UD, Duplex, Triplex, and Quadruplex (XLP / USE-2)
- Tri Rated UD
- Single Conductor UD, USE-2
- Service Drop Cable, Duplex, Triplex, and Quadruplex
- Concentric Neutral (15kV to 35kV Primary UD)
- ACSR
- ACSS
- AAC
- AAAC

COPPER BUILDING WIRE

- THHN / THWN-2 (All Colors)
- XHHW-2
- USE-2
- 2kV PV Wire
- Bare Copper
- MC Cable
- UF-B
- NM-B
- SER / SEU

TRAY CABLE

- PVC/NYLON VNTC
- VFD TC-ER

PORTABLE CORD (2-5 CONDUCTOR)

- SJ00W, 300V
- S00W, 600V (Up to 40 Conductor)
- SJT00W (White & Colors)
- SJE00W, 300V
- SE00W, 600V
- ST00W (White & Colors)
- SVT
- SPT-1
- Bus Drop Cable

MINING CABLE (6 AWG TO 500 MCM)

- Type W (Single & Multi-Conductor)
- Type G
- Type G-GC
- Type MPF-GC (2kV, 5 kV, 8kV, 15 kV)
- Type SHD-GC (2kV, 5 kV, 8kV, 15 kV)

FLEXIBLE POWER (SINGLE CONDUCTOR)

- DLO (14 AWG to 1111 MCM)
- Type W
- Stage & Entertainment
- UL 1283/1284 MTW, 1000V
- Jumper Cable (5kV & 15kV)
- PV Wire

WELDING CABLE (6 AWG TO 500 MCM)

- Standard, -50°C to +105°C, 600V, EPDM MSHA (Black, Red & Green)
- Super Vu-Tron®, -50°C to +90°C, 600V, CPE UL-MSHA (Orange)

WHO WE ARE

About Electro Cable

Electro Cable is a U.S. wire and cable manufacturer specializing in aluminum and copper building wire. We manufacture MC cable, URD, tray cable, portable cord, specialty cable, and more, with inventory positioned nationwide for fast fulfillment. Our manufacturing and inventory network provides pricing and availability that others often cannot match.

WHAT SETS US APART

Our Services

We provide paralleling, cut to length bundling, custom reeling, and same day shipping with no cut charges and no minimum orders. Fast turnaround and flexible logistics help keep projects on schedule.

MARKETS WE SERVE

Wire and cable solutions aligned to the environments our clients build, expand, and maintain every day. Inventory, expertise, and pricing are tailored to each sector.

AREAS OF FOCUS

RESIDENTIAL

Single family, multifamily, and community developments.

COMMERCIAL

Tower projects, office campuses, retail centers, and mixed use projects.

INDUSTRIAL

Plants, processing facilities, and demanding industrial operations.

UTILITIES

Underground distribution, overhead systems, substations, and municipal infrastructure.

DATA CENTERS

Wire and cable solutions built for scalable data center infrastructure.

RENEWABLE ENERGY

Solar, storage, EV, and future energy deployment.

PRODUCT LINE CARD

NATIONWIDE COVERAGE MAP

SERVING ALL 50 STATES

COMPETITIVE PRICING

FAST DELIVERY

24/7 AVAILABILITY

Responsive support for urgent releases, logistics updates, and live project needs.

STOCK + FUTURE INVENTORY

Daily stocked items, container loads, and forward inventory planning.

MADE TO ORDER SUPPLY

Custom made to order support for specific project requirements and long procurement lead times.

Supporting projects across all 50 states, Electro Cable helps clients keep schedules moving with daily stock orders, future inventory planning, and custom container orders across all markets.
